

RESPIRATORY ILLNESS IS SPREADING RAPIDLY THRU GAZA.

Gaza's primary healthcare system has collapsed during the 8+ months of genocide. Stay healthy so you can keep showing up for Palestine!

When using a Keffiyeh as a face covering, please consider using a mask as well!

WE KEEP US SAFE

WE PROTECT US!

WEAR A MASK!

POWER IN NUMBERS...

... Means that we can't afford to get our community sick!

Please wear a mask to reduce the spread of pathogens and to protect vulnerable community members.

Keep PROTESTS ACCESSIBLE!

Printables of this zine are at forever.com/zine. Please make as many as you want! The fight for Palestine will never end!! Viva Palestina!
